**The "Hair Bear" Award for Juniors**

**The "Hair-Bear" Award in Loving Memory of  
Ch. Bandersnatch Harriet Vane CD JE OAJ CGC V**

Offered by Cindy and Laura Sherman, Marg and Amanda Pough, and Kerry Boisvert

**This award is to recognize a junior with "the special bond" with their dog.**

**What is this bond, and how do we describe it?**

Harriet ("Hair-Bear") lived with Marg, but Laura was her person. Laura started training Harriet for Juniors through our 4-H classes. Harriet bonded to Laura very quickly. Laura and her brother were two of Marg's puppy socializers, so Laura was often over at the house when there were pups. Anytime Laura came to visit, Harriet would get super excited. Laura always had to take her out by herself, for training, a walk, or even just a car ride. Of course, Laura came and collected Harriet for 4-H classes, for training, for AKC shows, and finally for their great love... AGILITY! Yes, Cindy was OK, Marg was OK, Kerry was OK, but Laura was SUPER! Laura could never leave Harriet alone at a dog show for more than a millisecond and whenever Harriet saw Laura, it was as if they had been separated for years.

The best way to describe their bond is that when Marg goes to cross the Rainbow Bridge, there will be a pack of Bandersnatch dogs waiting for her. Harriet will be glad to see her, but she will not cross. She will wait for Laura.
