

Border Terrier Club of America

Working Certificate

This is to certify that the Border Terrier
Ch. Stonecroft Raising A Tally Ho, CGC SE TAJAN CG WC

With field partner Judith Todd

on 18-May-2006 demonstrated the conformation, instincts, and courage to successfully work in a traditional manner to woodchuck underground. She disappeared into the burrow alone, located and aggressively engaged the quarry, forcing it backwards in front of her until it reached an entrance where it was drawn, confirming that the instinctive working qualities of the Border Terrier have been preserved.

In recognition of such, The Border Terrier Club of America awards this Working Certificate.
